

We've got your healthcare information all **buttoned** up.

Ever wish there was one place to access all your **Medicaid, Healthy Michigan Plan, MIChild or Children's Special Health Care Services** healthcare information?

Now there's one place and two ways to get there: **myHealthButton[®]** and **myHealthPortal**.

myHealthButton[®] is a free mobile app for your smartphone that allows you to access your healthcare benefits, records and more. myHealthPortal lets you access the same information on your computer. With these applications, you can:

- Access a digital image of your mihealth card
- Use a provider locator feature that gives you names and locations of nearby providers.
- View qualifying diagnosis and authorized providers for the Children's Special Health Care Services (CSHCS) program
- Make CSHCS monthly payments online or on your smartphone
- Find covered healthcare benefits and services, including co-payments
- View and update your other insurance information

How to get myHealthButton[®] and myHealthPortal.

The myHealthButton[®] mobile app can be downloaded from the **Apple App Store, Google Play**, or visit www.michigan.gov/myHealthPortal

Questions?

Need more information or help registering? No problem. For help:
