myHealthButton and myHealthPortal
Features Quick Reference Guide

MDHHS
Michigan Department of Health & Human Services

What Are myHealthButton and myHealthPortal?

These applications put health care benefits and services directly into the hands of members that are served by the State of Michigan. myHealthButton is a mobile app that can be accessed from a smartphone or tablet. myHealthPortal is a website that can be accessed from any browser with internet access.

Features Include:

- View your Medicaid health information
- View and download immunization history
- Find a doctor nearby
- View and update physician information
- Track health and fitness progress
- Complete your Health Risk Assessment (HRA)
- Add additional members to the app
- View and request mihealth card copy
- View insurance claims
- Complete and submit your CSHCS Income Review/Payment Agreement Form
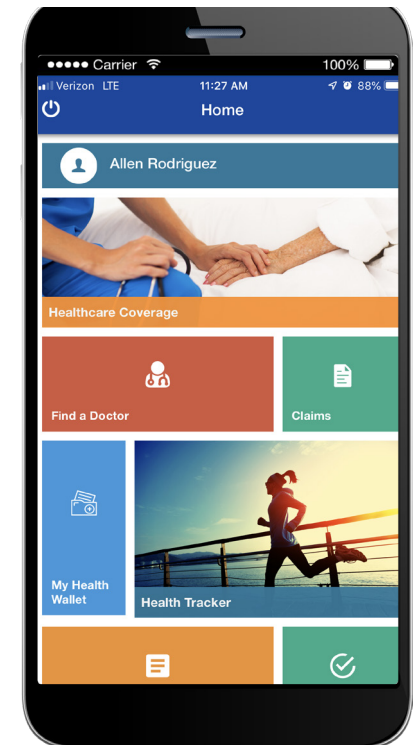

We've got your healthcare information all **buttoned** up.

Who Can Register For These Applications?

Members of Michigan Medicaid, the Healthy Michigan Plan, MIChild, and Children's Special Health Care Services (CSHCS) can access both the myHealthButton and myHealthPortal applications.

Gaining Access Is Easy!

By following these simple steps, you can begin to take advantage of all the benefits these apps have to offer.

What Information Is Needed To Complete Registration?

- ✓ Relationship to Member
- ✓ Member Full Name
- ✓ Member Date of Birth
- ✓ Member ZIP Code
- ✓ Member mihealth Card ID
- ✓ Access To a Text Message Capable Phone OR Valid Email Address

Step 1:

If you don't already have a MILogin account, you can create one here:

milogin.michigan.gov

Step 2:

Log into MILogin and request access to the myHealthPortal application.

Step 3:

Complete your myHealthPortal registration:

- ✓ Check your e-mail or text messages for a temporary PIN.
- ✓ Enter your temporary PIN and create a new PIN when asked.
- ✓ Click Submit.

You can now access myHealthPortal at https://myhbcld.state.mi.us OR continue to Step 4 to gain access to the myHealthButton app.

Step 4:

Download the myHealthButton app from Google Play or the Apple App Store.

Download on the App Store

ANDROID APP ON Google play

You must FIRST register with MILogin, in order to log into myHealthButton and myHealthPortal.

Step 5:

Sign into myHealthButton using the same MILogin username and password and myHealthButton PIN as for myHealthPortal. Once you've logged into either version of the app, you may now link your family members' accounts.
