

# QUICK REFERENCE: UPDATE PCP INFORMATION

The myHealthButton app is available to members of Medicaid, Healthy Michigan Plan, MICHild, and Children's Special Health Care Services (CSHCS) served by the State of Michigan. It puts control of your health care benefits and services in your hands by providing real-time access instantly and securely.

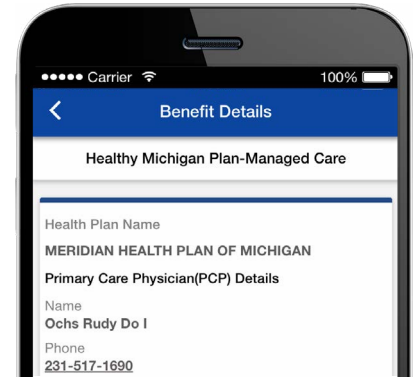

The myHealthButton app can help you update your **Primary Care Physician (PCP)** information with your health plan. Your PCP is determined and recorded with your health plan. This app will show what is reported by the health plan. You must contact your health plan to make a change to your PCP.

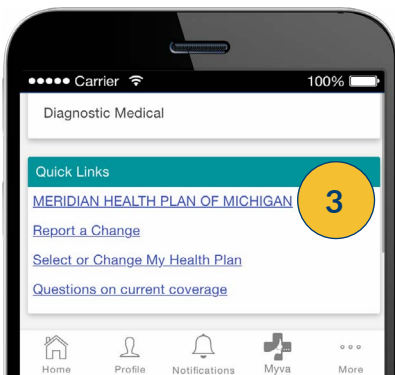

1. From the **Home** screen, tap **Healthcare Coverage**.

- The **Benefits** tab will display your active benefits plans.
2. Tap your health plan.

The **Benefit Details** screen will display your Health Plan Name, as well as your Primary Care Physician's name and phone number.

3. Scroll down to **Quick Links** and tap the link for your health plan.

Your browser will open the health plan's web page. From there, you must contact your health plan to change your Primary Care Physician.
