

# QUICK REFERENCE: HOW TO CHANGE THE MYHEALTHPORTAL LANGUAGE SETTINGS

The myHealthPortal is available to members of Medicaid, Healthy Michigan Plan, MICHild, and Children's Special Health Care Services (CSHCS) served by the State of Michigan. It puts control of your health care benefits and services in your hands by providing real-time access instantly and securely.

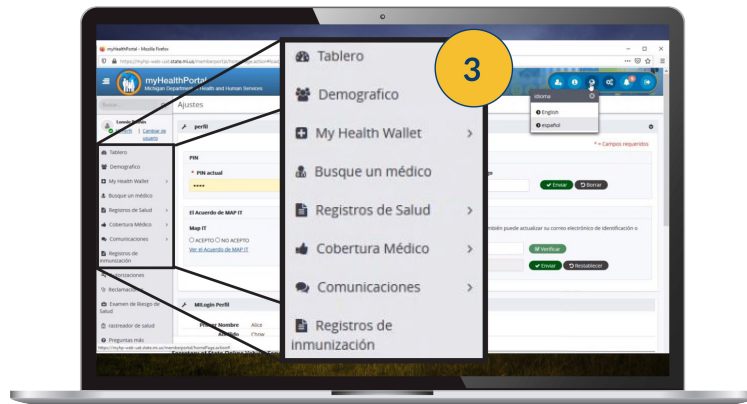

In myHealthPortal you are able to change the language of the application from English to Spanish by following the steps below.

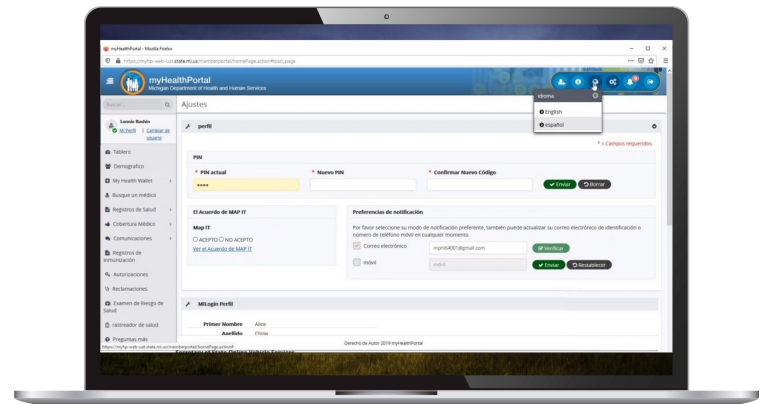

1. From the Home screen click the **Globe Icon**.

2. The **Globe Icon** will display a drop down of English and español. Click **español**.

3. The application will now display all information in Spanish.

4. To change the language used back to English, **repeat the steps above**.
